MODELING AND TALENT AGE DIVISIONS

Modeling and Talent events will be broken into the following age divisions: 3-6, 7-9, 10-12, 13-17, 18+ & Over -married or single. Age Divisions might be combined so that a minimum of 12 entrants per division is achieved.

CATEGORY AWARDS

In the event that there are less than three (3) participants in a category, the judges (at their discretion) may withhold giving a 1st place award if they feel the participant is not qualified for such an award.

OVERALL "AAMTC MODEL OF THE YEAR" AWARDS

To qualify for the overall modeling awards, a participant must have entered the Partywear category and any other four modeling categories of their choice (minimum: 5 modeling categories). Points from the required category and the four highest points from other categories entered (you may enter as many categories as you desire) will be tabulated in the following manner: Each 1st place - 3 pts; each 2nd place - 2 pts; each 3rd place - 1 pt. (In the event of a tie, those making the tie will perform again in order to break the tie).

METHOD OF ADJUDICATION

AAMTC modeling and talent competitions are NOT BEAUTY CONTESTS; however, good grooming and overall appearance will be taken into consideration. Modeling will be judged on: 1) Posture & Body Alignment; 2) Walk & Movements; 3) Interpretation of Garment; 4) Presentation; 5) Composition of Routine. Talent will be judged on: 1) Appearance; 2) Composition of Routine; 3) Variety & Difficulty; 4) Execution; 5) Presentation.

RULES & REGULATIONS

Models choose their own garments. Props are not appropriate for this type of high fashion runway modeling. All garment categories will be "runway modeling" and the participant will be expected to show proper entrance and exit, a basic pivot or other turn and the necessary detailing and interpretation of the garment. Smoothness, flow (fluid motion), showmanship and sales ability are all important attributes for a good model. A minimum of 12 participants must be entered in an age division in Modeling and in Talent. If less than 12 participants are entered in an age division, divisions may be combined with the next older or younger age division.

MODELING PROCEDURE

AAMTC is "free style" and there is no set modeling pattern. However, participants should consider this as high fashion runway modeling, much like that exhibited at New York Fashion Week or that can be observed on popular TV shows like Project Runway. Upbeat, generic, instrumental music will be used. Models are instructed to keep pace with the tempo of the music while highlighting the particular garment they are wearing. A modeling demonstration will be provided at orientation.
